

Current Year: 2020~ Hurley Education Foundation

President: Gary Pelkola

Vice President: Kathy Santini

Secretary: Noreen Gilbertson

Treasurer: Jaci Matusewic

February 24, 2020

The Hurley Education Foundation is currently seeking nominations of distinguished alumni and friends to be honored during the annual Hurley Education Foundation ceremony on July 25, 2020. The ceremony coincides with the Iron County Heritage Festival this July & August 2020.

The HEF is also accepting nominations for past or present Hurley School District staff who have made significant contributions to the Hurley School District and community.

Deadline for nominations is May 15, 2020. Nominations can be either mailed to the Hurley School District or to Gary Pelkola, HEF President. Detailed information is found on the Hurley School District website.

Classes celebrating reunions, alumni, and general public, are all encouraged to complete the short nomination form. The form can be picked up in the Hurley School District Office or found on the Hurley Education Foundation's website: myhef.org.

Please take a moment to check out the HEF website for all of the amazing things the HEF has done with the generous donations they have received from alumni and friends. The HEF has many more projects to complete and so many more students to help, so please help us make this a reality and come join our efforts. All donations really do matter and they are all tax deductible. Over 95% of donations go directly to projects for all Hurley School students.

Sincerely,

Gary Pelkola

Hurley Education Foundation, President
