

# FRIENDS OF THE FOUNDATION

The members of HEF hope that we have also helped to recognize excellence by our "FRIEND OF THE FOUNDATION AWARD" that honors outstanding alums and other supporters of the organization.

Over the years we have recognized some great Hurley alums who have been leaders in the world of business, law enforcement, medicine, education, and military. We hope that those people will serve as models for the present students but also remind other members of the communities how far some of their fellows have gone with the benefit of a good education.

## WHERE DO THE DONATIONS GO?

HEF is a volunteer organization with no staff and minimal overhead. Every dollar given goes to the benefit of the Hurley School District students. HEF commits to the long term success of programs that inspire learning, enrich teaching, and promote innovation and academic excellence in the Hurley School District.

No gift is too small. Financial support is welcome from alumni, friends and supporters of the Hurley School District through their tax-deductible donations, gifts or bequests.

## HURLEY CAMPUS

## MISSION & VISION

The Mission of the Hurley Education Foundation (HEF) is to solicit, hold, manage, invest, and expend endowment funds, gifts, grants, and bequests exclusively for the enhancement of education in the Hurley School District.

The HEF will provide financial support to those programs and creative projects that are not typically funded in the operating budget of the Hurley School District.

The Vision of the HEF is to provide financial resources that will assist in making the Hurley School District a model of creative and academic excellence with community pride in its achievements.

## WHO WE ARE

HEF was created in 1999 by alumni, friends, and supporters concerned by significant cuts in funding for the Hurley School District.

The HEF is a voluntary, nonprofit 501C3 corporation that operates independently of, but to assist, the school district. HEF is governed by a volunteer Board of Trustees and operates with the support of other community groups to provide many opportunities for Hurley School District students that would not otherwise exist.
