

# Hurley School District *as of 1/19/22*

## COVID-19 Policy - Isolation & Quarantine Period

### 1. COVID-19 Positive

### 2. Close Contact to Someone COVID-19 Positive (regardless of vaccination status)

- If symptom-free, remain in school while wearing a face-covering. If you previously tested positive for COVID-19 within 90 days, a face-covering is not required.
- If you test on or after day 5 and receive a negative test result, a face-covering is no longer required.
- If you develop symptoms within 10 days, refer to Number 3 below.

### 3. Not a Close Contact but presenting with 1 or more high-risk symptom(s) or 2 or more low-risk symptoms

- Test for COVID-19 using a PCR or Antigen (Rapid) Test
- Quarantine at home until test results are received
- Return to school with a negative test result & symptom improvement

Please refer to this symptom list for Number 2 and/or 3

High-Risk Symptoms	Low-Risk Symptoms
<ul style="list-style-type: none"><li>- Consistent Cough</li><li>- Shortness of Breath</li><li>- New Loss of Taste or Smell</li></ul>	<ul style="list-style-type: none"><li>- Fever (<math>\geq 100.4^{\circ}\text{F}</math>) or Chills</li><li>- Headache</li><li>- Congestion or Runny Nose</li><li>- Fatigue</li><li>- Muscle or Body Aches</li><li>- Diarrhea</li><li>- Nausea or Vomiting</li><li>- Sore Throat</li></ul>
