

RYLIE'S RIDE SCHOLARSHIP

Rylie Jo Ludtke was a member of the class of 2017. She loved her family, friends, her dogs, Buddah and Paco, and spending time with her horses, Husker and Blue. Rylie had dreams of becoming an equine massage therapist. She was an independent little spirit who touched many hearts and was wise beyond her years.

This scholarship has been established in memory of Rylie, through Rylie's Ride. It is intended to assist a student in continuing his/her education. The scholarship will be paid directly to the student upon proof of successful completion of one semester, and proof of enrollment in the next semester.

To apply for this scholarship, students must submit an essay stating "What is your major and future plans?" Also, "What would receiving this scholarship mean to you?"

All current college students are encouraged to apply. Completed applications can be emailed to leinon@hurley.k12.wi.us. The application deadline is April 28th.
